Having Faith

that moves Mountains

Could you imagine jumping off that mountain? What an excruciatingly frightening thought. But time and time again, that's exactly what God calls us to do.

He takes us right out to the edge and says "Jump!"

When you think about it, we only need faith to do the things we can't do – we can't save ourselves, and so we need to have faith in Jesus and what He did for us on that Cross.

And all too often, we run into obstacles in life – dirty great big mountains that stand in our path – obstacles that we can't remove or overcome in our own strength. Insurmountable roadblocks in a marriage relationship. A child that's headed way off the rails. Financial pressures that threaten to tear us apart.

And then, the ultimate step of faith, is the step over the

boundary between this life and the next.

The most common experience that we have when we run into one of those things that requires faith – is that we feel as though we don't have enough of it. The obstacle is so daunting, that it makes our faith feel so small.

But the last time I checked, a small amount of faith was enough – more than enough – to move any mountain ... or climb over it ... or jump off it. The smallest amount of faith is more than enough – always abundantly more than enough –

Now faith is the assurance of things hoped for, the conviction of things not seen. (Hebrews 11: 1)

Reaching a Whole New Generation...Through Digital Media

When Christianityworks was founded by the US based Ministry Back to the Bible in 1957, the whole idea was to make the most innovative use of media in proclaiming Christ. That's still ... the whole idea.

Back then, radio was innovative. And of course still today, Christianityworks reaches millions of people through it's global radio and now television broadcasts as well.

But there is a whole new generation whose main access to media is through their phones, tablets and computers.

According to the respected technology research firm Gartner, around 1 billion smartphones and 2 billion tablet computers were sold in 2013. That's in addition to all those that were already out there, and those that have been sold since.

And this tectonic global media shift is something that we simply cannot ignore in reaching the world with the Good News of Jesus!

So through your support, Christianityworks has been making major inroads the area of **digital media mission** ... through our own websites, and through digital media giants like iTunes, TuneIn Radio, Oneplace, Crosswalk – and beyond.

Because making innovative use of media in proclaiming Christ, is still the idea.

God is Impacting Lives through Your Support ...

We receive so many testimonies from people whose lives are transformed. It is just so amazing to see what God is doing through your support!

Here are just a couple of the comments that we have had about the new eDevotional:

Your eDevotional is literally changing my life. Each day I receive God's Word and it is having such an impact, thank you! (WC, Bank Manager, Sydney)

These E devotions are just terrific. When I'm travelling I know that I have an encouraging, challenging word that I can access at the press of a button. I often share them with my staff. They're also often the spur to dig deeper into the word of God. And I find them very helpful and concise thoughts that I can share with believers and non believers alike. (DS, Media Executive, Melbourne)

Dateline >> POLAND

WOW! The reach and impact of the radio ministry just continues to grow. The CEO of our sister ministry in Poland – Voice of the Gospel – Henryk Dedo, wrote to us recently to tell us that Christianityworks' radio programs *A Different Perspective* and *Just A Minute* are now being broadcast on 24 radio stations across the country. In Polish of course!

According to Henryk "the programs are rapidly gaining in popularity." Praise God!!

Having Faith that Moves Mountains

...to do whatever God has called us to do.

For truly I say to you, if you have faith like a grain of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move, and nothing will be impossible for you. (Matt 17:20)

My friend, let me tell you something: that is just so true. Because **it's not the size of your faith that matters, but the size of your God.** And it's the smallest amount of your most desperate faith that speaks to God of your love for Him and your trust in Him and your desire to see His will done.

It's the smallest amount of your faith, that will bring His mighty, supernatural power to bear on the most impossible of situations, to give you the breakthrough, to meet the need, to heal the relationship, to ...

From Berni to you

Dear Friend,

Whether or not you are someone who is in the digital media space, I hope that you are as excited as I am to be reaching a whole new generation in this way.

The power of digital media is that it is truly global. There are no borders.

Which is why we have digital media subscribers from all around the world. Not just Australia, New Zealand, India, the US, Canada and the UK ... but places like Taiwan, the Ukraine, Saudi Arabia, Vietnam, Peru, Azerbaijan and beyond ...

Literally from all around the globe. Maybe that's what Jesus meant when He said to His disciples:

But you will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth. (Acts 1:8)

Whether it's the translation of our Australian-produced programs into Polish, or the impact of just last Tuesday's eDevotional on Jose in Puerto Rico, or the production of radio and TV messages for audiences here in Australia, none of it would be possible without your support.

I am constantly praying that God would bless the ministry and enlarge it's borders, and so far, we have not been disappointed.

Thank you for the part that you played in helping us reach the June 30 Appeal target of \$120,000. That was so important.

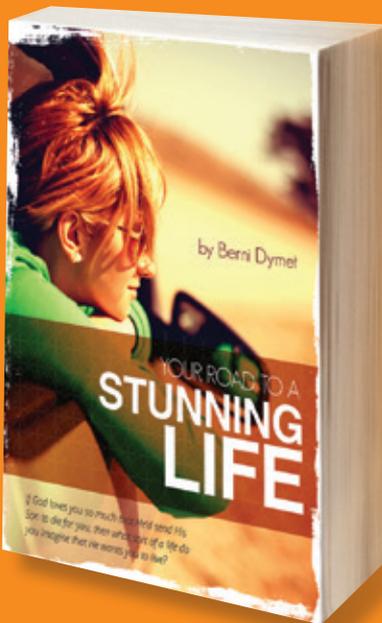

But now we need to make sure that we start the new financial year strongly, so that together, you and I can continue being Jesus' witnesses to the ends of the earth.

That is why your gift this month is so important. Thank you for your generosity, your friendship and your prayer.

Your friend in Jesus,

P.S. Thank you for giving whatever you are able this month to help Christianityworks continue to take the Gospel unto the ends of the earth!

Coming Soon!

We have some exciting news for you. Berni has just completed his latest book – **Your Road to a Stunning Life.**

The question is, if God loves you enough to send His Son to suffer and die for you, then what sort of a life do you imagine that He wants you to live?

A God who loves you that much is surely a God who wants you to live a stunning life, wouldn't you agree?

Not always a comfortable life; or a convenient life; or a "successful" life. No – He loves you much more than that.

That's why He wants you to live a stunning life. And that's what this latest book is all about. *How to live a stunning life.*

And next month, we'll be offering you a FREE copy of Berni's book, hot off the press. So keep an eye out for it.
