

Celebrate What God Has Done

It's something that we don't think too much about, but the Bible is full of encouragement for us to celebrate what God has done.

Sixty years ago, Back to the Bible (USA) planted the ministry of Christianityworks way down in Australia. Today - by God's grace - Christianityworks proclaims Christ to millions of people in over 160 nations around the world!

So will you join us this month in giving thanks for all that God has done, is doing and will do.

Praise the LORD! Praise God in his Temple! Praise him in heaven, his strong fortress! Praise him for the great things he does! Praise him for all his greatness! (Psalm 150:1,2)

We serve such a faithful God! Amen?!

August 2017 PRAYER FOCUS

- **Give thanks for the men and women** who, sixty years ago, stepped out in amazing faith from Back to the Bible in Lincoln, Nebraska, to plant the ministry of Christianityworks, way down in Australia.
- **Give thanks for the many friends and supporters** who over the last six decades have prayed for the ministry, who have given sacrificially and generously, who have stood by God's work in the good times and the tough times. Ask God to bless them, their children, and their children's children.

- **Praise God for the many souls who have been saved** as Christ has been proclaimed across the nations. Millions of people have heard about Jesus, and continue to hear of His saving love, as God speaks in the media through Christianityworks.
- **Give thanks for God's faithfulness** - there have been many times where the ministry was in peril - through lack of funds, through a lack of vision and direction, through the frailty of men and women. That's the reality. And yet ... it doesn't depend on us, because God is faithful. Hallelujah!
- **Give thanks for the many opportunities that lie before us** as together, we step out in faith. This month, a printed daily devotional has been launched in the Telugu language across India. The Tamil translation is next and the English version is on the drawing board. So many opportunities about through traditional and digital media. Thank God for the amazing things that lie ahead and for the souls that will be saved.
- **Give thanks for the Board, the leadership and the team at Christianityworks** and ask that God would guide them forward, with a bold vision to extend His kingdom on this earth, in the hearts of millions of men and women, one soul at a time.
- **Pray for God's protection and provision** - for all those involved in the ministry - friends, supporters, staff and volunteers. Ask that God would shower His mighty blessings upon them all, so that His blessing would flow out through them into this lost and hurting world.
- **Pray for the countless lost souls** who so desperately need to hear about the saving love of God in Jesus Christ. Ask God to use the proclamation of the Good News of Jesus through Christianityworks in a powerful way in their lives, today, tomorrow ... next week ... next year ... and for the next sixty years.

*Thank you for praying with us for the
glory of our King!*
