

Then the Lord appeared to Abram, and said, "To your offspring I will give this land." So he built there an altar to the Lord, who had appeared to him. - Genesis 12:7

It's Time to Take the Promised Land

When God promised Abram (a) a land of his own and (b) a multitude of descendants, that land was already occupied by countless other nations, and he and his wife Sarai were in their mid-seventies and childless!

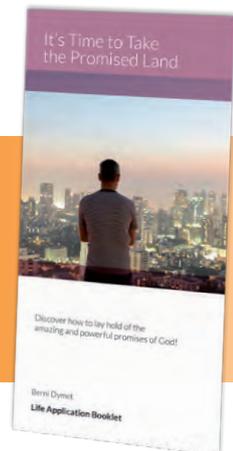

What was God thinking? Really?! And yet, to these crazy promises from God Abram responded by building an altar to worship Him!

I wonder how many of us, would have left our comfort zones and embarked on this crazy, twenty-five-year wild goose chase to follow hard after the promises of God. I wonder how many of us, would have built an altar to honour God, in the face of the absolutely impossible promises that He'd made. Hmm?

Let's face it: so many things in this world promise so much yet deliver so little. Affluence, worldly success, this belief system, that career opportunity. Have you...

The Miracle of Lives Transformed

... made possible by the support of friends like you

As Berni said in his article on page 1, God means for us to lay hold of His promises!

For in Christ, every one of God's promises is a 'Yes.' - 2 Corinthians 1:20

It is for this reason that Christianityworks proclaims Christ through the media to millions of people each week around the globe.. Here are just a few of the stories of people whose lives have been touched and transformed recently – may you be blessed as you read them.

Rex (Philippines)

Jesus revealed himself to me on Saturday morning as I heard Christianityworks on the radio ... you helped me confront my "Goliath". Thank you for healing my pain. Thank you for making me alive again!

Daphne (UK)

Thank you so much for your eBooklet "The Joy of the Lord is My Strength." Last Wednesday I was terminated at my job ... I was upset for half an hour or so, but now I am at peace ... because the joy of the Lord really is my strength.

Pamela (USA)

The depth of your study of God's Word has been a real help in my marriage ... it's brought us together in our daily walk with God.

Helen (Australia)

Thank you so much! I was on the verge on giving up my job but now I know this is my gift and will keep going as I know God will keep me strong. God Bless your team.

Geyla (India)

Sir, I am a doctor here in Hyderabad. I was so blessed through your TV program on Sunday! God bless all your endeavours.

Lynne (UK)

I am in dark place at present. I said to the Lord only yesterday "There's no joy in my heart, help me to find it and strengthen me." Today I came across your teaching on exactly that and boy, has it blessed me. Answered prayer! Thank you so much.

Thank you for your support!

It's Time to Take the Promised Land

...noticed how hollow they all end up being?

That's not to say that there aren't some good things in this world, just that so many of them, in the end, end up not delivering the deep satisfaction we were so desperately looking for.

Yet God's promises are true. God never fails to deliver what He promises. We know that ... in theory.

But seriously, how many so-called Christians actually live in the promises of God? How many of God's people have actually entered into the promises of God.

Centuries after God made those promises to Abram and Sarai, under the leadership of Joshua, Israel did in fact take the Promised Land, seizing it from the occupying nations battle by battle.

And entering into the promises of God, actually taking hold of them, battle by battle, is what this month's free Life Application Booklet is all about. "It's Time to Take the Promised Land" – so don't forget to request FREE your copy today.

Our Free gift to you!

We want to help you to win life's battles and live in God's powerful promises for your life, by sending you a free copy of the latest Life Application Booklet – *It's Time to Take the Promised Land*.

May the Lord give you victory and lead you into His promises, through His Spirit and his Word!

A Gift for Your Church

... share the FRESH Devotional with others

There has been an overwhelming response to the printed Fresh daily devotional! God, it seems, is drawing many people closer to Himself as they receive His Word each day!

At the same time, churches are full of people who believe, but who aren't living in God's promises, simply because they rarely open their Bibles. What a tragedy!

That's why we would like to offer you up to 50 free copies to share with your church, family and friends.

Just tick the box on the enclosed response form, and tell us how many copies you would like sent ... and we will be in touch.

This is a ministry opportunity for you, to help others draw closer to God through His Word. So please, make sure that if you request them, you don't waste them.

As a Christianityworks advocate in your local faith community, you'll be impacting many lives, bringing them closer to Jesus.

If you feel led to give a gift to help cover the costs of printing and shipping, that would be awesome! Just use the enclosed donation slip to do so.

From Berni to You

Dear Friend,

In my heart of hearts, I long to see people in a rich, dynamic, powerful and intimate relationship with Jesus.

That's why I am so delighted to be able to share the Word of God with you each day through the FRESH devotional, and now, to also make it available for you to take even further, in your church and amongst your family and friends. (see page 3)

My prayer is that together, we will impact this world like never before as we help people to realise that the promises of God - the promise of forgiveness, of a life of righteousness, peace and joy in the Holy Spirit, of life eternal – are meant for them!

That's why God has put us on this earth. To share the many-splendoured love of Christ, with as many people as possible.

That's my passion and I know that it's your passion too.

And as we do that together, thank you so much for remembering that it can only happen through the support of friends like you. That's why your gift again this month is so vitally important ... so that together, we will be part of creating many more stories like those that you read in the previous pages!

So from the bottom of my heart, thank you for your prayer and support again this month!

Your co-worker on the mission field,

Berni Dymet

Thank You... for helping us reach the Summer Appeal target!

They say that the devil trembles when he sees the weakest of all Christians down on their knees. And well he should, because your prayer and mine unleashes the incredible power of God on this earth!

Fact: Christianityworks faces much opposition in proclaiming Christ to the nations. That's why your prayer is such a vital part of this ministry.

And that's why each month, we publish a list of prayer points online to help you know specifically how to pray.
