

Oh God, Enlarge our Borders

Jabez asked God, amongst other things, to enlarge his borders, in other words his area of influence.

The prayer of Jabez is a prayer that we pray constantly at Christianityworks because our passion is for countless more souls to be saved, as we proclaim Christ through the media across the nations.

Jabez called on the God of Israel, saying, "Oh that you would bless me and enlarge my border, and that your hand might be with me, and that you would keep me from hurt and harm!" And God granted what he asked. (1 Chronicles 4:10)

And so, we are inviting you to pray with us again this month, for God through His blessing, and by His mighty hand, to enlarge the borders of Christianityworks, reaching into homes, into hearts, where Jesus has never been proclaimed before.

We so value your prayer, because we know, beyond any shadow of doubt, that God will work mightily to save lost souls and to encourage and strengthen the saints through you!

- **Give thanks for the opportunity that has arisen to translate Fresh into Hindi to reach millions more lost souls across India and beyond.** The reach of this daily program is growing week by week, with not just English, but Telugu, Tamil, Swahili, French, Afrikaans and Vietnamese translations already underway.
- **Pray for the finances of the ministry.** Operational cash flows are very tight at the moment and we are looking to the Lord to move the hearts of His people, to give generously this month.
- **Give thanks the volunteers in the ministry** who give so generously of their time and abilities. Ask the Lord to bless them mightily, and to protect their families from the evil one.
- **Pray for a new staff member in our office in Sydney, Australia.** Ask the Lord to bring the right person to fill the permanent part-time position of [Donor Care & Support Coordinator](#).
- **Give thanks to God for the many ministries who partner with Christianityworks** in sharing the good news through the media. Please remember Rhema Media in New Zealand, Reach Beyond (formerly HCJB) in the USA, Africa, India and Australia, Moody Broadcasting across the USA and Radio Joy in Tanzania in your prayers. Ask the Lord to bless them richly, as they labour so diligently in the different corners of His vineyard.

Thank you for praying with us for the
glory of our King!
