# Money Matters

*A Kingdom Perspective*

**Money, or our desire for it, can make us do some strange things. It's funny how irrational we can become, when it comes to this intoxicating commodity, called money.**

The most sensitive nerve in the human body is the one that runs between the human heart and the wallet (or purse, as the case may be)! It's funny how twitchy we become, when someone starts talking about the way that we spend our money.

And yet, this is the one subject that Jesus spoke about more than any other. Think about that!

*Do not store up for yourselves treasures on earth, where moth and rust*

## Money Matters

consume and where thieves break in and steal; but store up for yourselves "treasures in" heaven, where neither moth nor rust consumes and where thieves do not break in and steal. For where your treasure is, there your heart will be also. (Matthew 6:19-21)

It almost seems that He has that the wrong way round. Surely He should have said, where your heart is, there your treasure will also be. But no, that's not the way He put it. The point that Jesus was making is that our heart follows our treasure.

So according to Him, if you want to see where someone's heart is, look at what they're spending their money on. That's quite an uncomfortable truth for some!

The reality is that many a disciple of Jesus' who sets out with a heart to follow Him, ends up being drawn off course by the desire to have more wealth. And, as Paul puts it in 1 Timothy 6:10, they end up piercing themselves with many pains.

And that's a tragedy.

So here's a question. When it comes to your money, are you earning it, saving it and spending it from a Kingdom Perspective?

**Are you honouring God, first and foremost, with your finances?**

## ... a prayer that God keeps answering through the support of friends like you

Over recent months, Christianityworks has experienced huge growth in the reach and impact of its media ministry around the globe.

We never cease to be amazed at how God continues to open doors to share the Gospel of Jesus Christ in a practical, relevant and biblically faithful way.

The full extent of the incredible impact in people's lives in places that we could never even have dreamed of just a year ago, is something that we cannot begin to comprehend! To God be all the glory.

Australia/UK/India/Fiji

The daily Fresh devotional radio, TV, digital and print messages are reaching more people than we ever dreamed ... in English, Telugu, Tamil, Swahili and with more language translations on the way.

Recently our CEO Berni Dymet caught up with Media Trainer Christopher Singh who works with WEC International in the UK in training Christian radio ministries in Africa, Europe and beyond.

**Christopher and his wife Bela have volunteered to start translating Fresh into Hindi, the fourth most spoken language in the world. This is a major development!**

We already have one broadcaster (Reach Beyond) keen to air the Hindi version across India and another request from a radio station in Fiji!

Rwanda/Sierra Leone/Liberia

Recently our newest Christianityworks team member, Brenda Uwubuntu from Rwanda spoke at the continental Africa by Radio Christian Media Conference in Sierra Leone. There Eric shared the powerful impact that Christianityworks is having across Liberia:

This is what Eric said:

**The daily Fresh message has been inspiring and blessing many in Liberia including church and local community leaders.**

**It's also being used in Sunday schools and by Bible study leaders.**

**We are interpreting the programs into two of our local languages, Bassa and Kru. There are many testimonies from listeners of how the programs have been a big help in their own devotional lives!**

Australia/Vietnam

Pastor John Le of New Way Church in Sydney's West, recently approached Christianityworks to be able to translate the Fresh devotional messages into Vietnamese.

He came up with the idea of launching a bilingual eDevotional for the large Vietnamese community in Australia, and through his networks, via churches in Vietnam.

It's a great idea, because the older people in his church community are struggling to learn English, while the younger ones need help to learn Vietnamese. So this way, he will be bringing the generations together, around God's Word!

**We're seeing this happening more and more with ministries approaching Christianityworks to multiply the reach and impact of the Word!**

**Thank you** for being part of this amazing growth through your powerful prayer and generous support.

# A Note From Berni Dymet to You

Dear Friend,

It is such an incredible joy for me to be able to share with you the amazing things that God is doing through the ministry of Christianityworks. Each week we receive so many stories from people whose lives have been transformed by God, as together, we proclaim Christ through the media.

I wish I could share them all with you, but there are just too many.

The same is true of all the new opportunities that God is opening up to proclaim the Good News around the world. We've seen a marked up-tick in those, with radio and television stations now approaching us, to broadcast the programs that we produce with your support.

And that ... that's the key!

**None of this is possible without the support of friends**

**like you. With the rapid growth in reach, I have to be honest, our operational cash flows have been put under tremendous strain.**

So thank you for your gift again this month to help bridge that gap and see many more souls saved for eternity.

Whether it be in Liberia, or the UK, Kenya or Fiji ... your support is what makes it possible for us to write, produce and distribute the 1,100+ radio and television programs that are sent out around the globe every year.

A big, big thank you for your generosity!

Your brother in Christ,

Berni Dymet
