

Pray for Breakthroughs this Month

God is doing some amazing things through the ministry of Christianityworks right around the globe.

But this month, there are a few areas where we need some breakthroughs. And this is what God's Word says:

Unless the Lord builds the house, those who build it labour in vain.

Unless the Lord guards the city, the guard keeps watch in vain. (Psalm 127:1)

We have an amazing team at Christianityworks - a team that you're part of through your prayer and support. Together we work hard to see God's Word proclaimed even unto the ends of the earth.

But we know that the amazing things that we see happening are by His spirit, not by our power. So please join us in giving thanks and praying for some breakthroughs in key areas.

April 2019 Prayer Focus

- **Give thanks** to the Lord for the incredible breakthroughs that we have seen in India recently. The Indian Government has some strict regulations which have seen major ministries close their doors there. But by God's favour, we have been granted permission to make foreign contributions to our ministry there (that's huge!) and Christianityworks Trust India has been granted tax free status.
- **Pray that** God will also move to make our Indian ministry exempt from the local goods and services tax. This will save quite a bit of money, especially since we do much our printing in India!

- **Pray especially this month for our Africa Director, Joseph Kebbie.** He is a Liberian national who is resident in Ghana, collocated with the offices of Reach Beyond (formerly HCJB). He has had to reapply for his Ghanaian visa, and renewal is by no means a certainty. Ask the Lord to open the way for Joseph to remain in this relatively safe, stable country to continue our ministry across Africa.
- **Pray especially for the team at Yaski (FEBC) Indonesia** who are considering the translation of the daily Fresh devotional messages into Bahasa Indonesian. This would enable us together, to reach hundreds of thousands of people with the Gospel through their 6 station network and many other Christian stations, in the largest Muslim country in the world.
- **Give thanks for Christopher + Bela Singh** - of WIC International in the UK. They are translating Fresh into Hindi and this started being aired right across India on the 28th of March through Reach Beyond's shortwave transmitters out of Australia. Ask the Lord to open the hearts of those who are lost, particularly across the northern states, and that many would be reached and saved as they receive His Word.
- ***** Continue to pray for the Lord to provide a new staff member in our office in Sydney, Australia.** We still haven't been able to find the right person and this has been a huge obstacle for the ministry. This is a huge need and we truly need a real breakthrough as we re-advertise this position over the coming month!! So ask the Lord to bring that person to fill the permanent part-time position of [Donor Care & Support Coordinator](#). (And if you know someone in the local Sydney area who might have the right gifting, please pass this on).
- **Ask the Lord to reach out and touch many lives through Christianityworks' TV, radio and digital broadcasts** ... especially those who are hurting and lost. May the Holy Spirit convict them of sin and righteousness and bring many more to Jesus, that they may spend eternity with Him!

Thank you for praying with us for the
glory of our King!
