

Pray for Global Impact

There is such power in the prayer of God's people, wouldn't you agree? That's why we are calling on the friends and supporters of Christianityworks to lift the ministry up in prayer this month.

Why? Because June is traditionally the biggest giving month for the year, and it is so important to reach the June 30th targets, for no other reason than to be able to take the many-splendoured love of Christ to millions more in the coming months. And God's Word, well it is so practical and honest about sacrificial giving:

For if the eagerness is there, the gift is acceptable according to what one has—not according to what one does not have. (2 Cor 8:12)

Together we can take God's Word "even unto the ends of the earth". And that's what the Global Impact Appeal is all about. ([Watch the short video here](#))

We know that God's provision comes as His Spirit moves His people to give generously according to what they have. So please join us this month in praying for an outpouring of generosity through the saints.

June 2019 Prayer Focus

- **Give thanks** to the Lord for the generous supporters who have established the matching fund for the [Global Impact Appeal](#). These friends of the ministry have banded together to ensure that any donation given before June 30th will be doubled. Give thanks for their generosity and pray that it will be a great help in reaching the Appeal target.
- **Pray that** God will move many more of His saints around the globe to great generosity to enable the [Global Impact Appeal](#) target to be met so that many, many more will hear about Jesus for the first time around the world!

-
- **Give thanks for CEO Berni Dymet and Africa Director Joseph Kebbie's** trip to South Africa last month, to attend the Association of Christian Media (ACM) conference there. The Lord opened many new doors, including a 35-FM station radio network across Namibia to air Christianityworks' programs ... and the commencement of the translation of the Fresh Daily Devotional into Afrikaans, which will open up many more stations across South Africa and beyond.
- **Pray especially for the team at Reach Beyond in New Zealand** who are working with a ministry partner in Pakistan to translate the Fresh Daily Devotional into Urdu, the main language spoken in Pakistan and in several large Indian states. Ask that the Lord would help us reach many more people with the love of Christ.
- **Pray for the Board and Leadership of Christianityworks** as they meet together this month to consider the strategic directions and priorities of the ministry for this upcoming financial year commencing July 1st. Ask that they will be led by the Holy Spirit to do the things that the Father is doing (John 5:19) to reach many more lost souls with the love of Christ.
- **Pray for the Christianityworks team across Africa as they work alongside radio and television stations there.** Pray especially for Brenda Uwubuntu, who trains and consults to radio and television stations, to help them grow their local support and thereby be able to reach more and more people with the Gospel message.
- **Ask the Lord to bless the supporters and volunteers of Christianityworks** without whom reaching the millions of people each week through the ministry simply wouldn't be possible! Pray especially for those translators who give so generously of their time, and the generous, sacrificial givers who help to resource the ministry to do God's work across the globe.

Thank you for praying with us for the
glory of our King!
