

Give Thanks for His Mighty Works!

God is a God who longs to work mightily through His people to reach the lost and the hurting with the Good News of Salvation in Jesus, amen?!

And as we look back over months and years past, it's simply amazing to see the mighty things that He is done. So this month we want to focus on giving Him all the praise and glory that's due His Name:

Praise the Lord! Praise God in his sanctuary; praise him in his mighty firmament! Praise him for his mighty deeds; praise him according to his surpassing greatness!(Psalm 150:1,2)

We know that as we lift up His name and give Him all the glory, He will continue to do amazing things through our partnership together. *So please join us in thanking and praising God this month for all that He has done and all that He is going to do through the ministry of Christianityworks, right around the globe.*

August 2019 Prayer Focus

- **Praise the Lord and give Him thanks** for the generous supporters who gave so sacrificially over the last three months to help reach the **Global Impact Appeal target**. May the Lord work mightily through their generosity to reach many more with the Gospel of Jesus Christ.
- **Praise the Lord and give Him thanks** for our CEO Berni Dymet's successful trip to **Indonesia last month** where in partnership with FEBC (known there as Yaski) Christianityworks' daily messages will soon be translated into Bahasa Indonesian to be broadcast not just on their network of 6 FM stations (Heartline) but also for syndication to over 80 other Christian stations across Indonesia - the largest Muslim country in the world.

- **Praise the Lord and give Him thanks for the progress that we are seeing in translating Christianityworks' Bible teaching programs into Zulu** to be broadcast on the numerous Zulu language Christian stations across South Africa and beyond! May the Lord draw these people to Him, as they hear about Jesus in their own mother-tongue!
- **Praise the Lord and give Him thanks for the amazing impact that our newest team member, young Rwandan woman Brenda Uwubuntu, is having in training radio stations across Africa.** We have received such amazing feedback from Hope Media and TWR/SIFA FM in Nairobi, Kenya and Umucyo Christian Radio in Kigali Rwanda. Pray for Brenda this month as she works with a new station in the West African country of Gabon.
- **Praise the Lord and give Him thanks for Isaac Krishna, Christianityworks' Media Director from our Hyderabad Office** who will this month travel to Australia to work with our team there in designing a multilingual Fresh Devotional App (for both Apple and Android devices) that will be built from the ground up to be "rebranded" by Christian media ministries around the world, helping them reach their listeners and viewers with the Gospel in their own language. Ask the Lord to breathe His inspiration into this initiative and glorify His name through it in the lives of many.
- **Praise the Lord and give Him thanks for the hardworking and godly leadership team with which He has blessed this ministry.** Ask Him to protect them and guide them as they drive forward partnerships with radio and television stations around the world, to further the Gospel and grow God's Kingdom.
- **Praise the Lord and give Him thanks for UCB Asia Pacific leader Ian Worby** who so tirelessly travels around the region, often in difficult circumstances, to plant, grow and encourage radio stations in proclaiming Christ through the media. Many hear Christianityworks' messages through his pioneering work. Ask for the Lord's blessing and protection on him, his wife Mandy, his sons and his team. May many more hear of Christ through this amazing ministry.
