

Jesus disarmed the rulers and authorities and made a public example of them, triumphing over them in it. - Colossians 2:15

You Can Make a Powerful Difference

I KNOW THIS MAY COME AS A SHOCK, BUT ... God hasn't left us on this earth to cruise into a comfortable retirement. He's left us here to have a powerful impact in the lives of others.

That feels a bit daunting doesn't it? But let's just take a couple of steps back and have a good look at this.

First up, He never expects us to do it all on our own. In fact, the thing I've enjoyed most about learning to serve other people (very much still a lesson-in-progress) is seeing the supernatural power of God at work.

Because the moment we step out onto that spiritual battlefield to serve our King, make no mistake, the enemy will come against us. But when it ...

You Can Make a Powerful Difference

... comes to winning souls, the Holy Spirit's power trumps any hand that the devil can dish out.

The second thing that surprised me is God's blessing. Here's how it works.

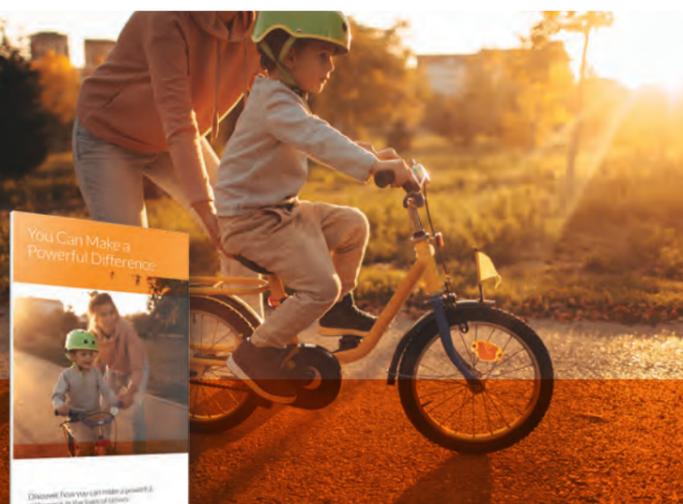

God means for His blessing not just to fill us, but to overflow out of us into the lives of others. That's how the Holy Spirit operates (John 7:37-39). He overflows out of each one of us in a unique way through the individual gifts that He's given us.

And right there at the point of overflow is the most exquisite blessing, because nothing is so wondrously fulfilling as the flow of the Spirit through our individual gifting, amen?

Is there sacrifice involved? Absolutely! Will we experience spiritual opposition? I hope so (it means we're being effective)! Will people persecute us for it? Look around ... of course they will.

But what an amazing plan God has for you and me to make a powerful difference.

Despise Not the Day of Small Beginnings

Christianityworks has just reached an amazing milestone – 1,000 episodes of the Fresh daily devotional have now been produced with your generous support!

In June 2016, just over three years ago, our ceo Berni Dymet flew to Auckland to shoot the seven pilot episodes of Fresh TV. Back then, we had no idea what, if anything, might come of them.

Last month he was back there again to shoot another 126 episodes which included the 1,000th episode. (That's right! He and the TV crew at Rhema Media's Shine TV do that in two long days in the studio!)

And in just those three years, the reach of the daily Fresh TV program alone, has grown to almost 100 million households across five continents.

Not to mention the many radio stations broadcasting Fresh daily around the globe (now in 6 languages), the more than 20,000 people who receive it into their inbox every morning and the many who subscribe to the printed devotional.

“ In just three short years, it's an amazing milestone - a thousand episodes! Here at Rhema Media we're so delighted and blessed to be able to partner with Christianityworks in producing Fresh in our Auckland studio and seeing it broadcast around the globe. ”
Andrew Fraser
Chief Executive - Rhema Media New Zealand

Celebrating 1,000 episodes of Fresh TV

All in just three years! How did that happen?

Firstly, it was obviously God's timing and with His anointing. Unless the Lord builds the house, the one who builds it labours in vain, amen? (Psalm 127:1) We give Him all the glory.

Secondly, the partnership with Shine TV, a division of Rhema Media (the Kiwi sister organisation of Vision Christian Radio in Australia) has been a huge blessing. The team there are passionate professionals

Thirdly, the prayer and support of friends like you has been used by God to make it all possible. On behalf of the countless people who are blessed by God's Word through Christianityworks each day, a huge, huge thank you.

You can have a huge impact by becoming a monthly supporter

If there's one chore that we all love to hate, it's paying those bills. They never seem to let up.

And just as we all have household bills to pay month after month, so the ministry of Christianityworks needs to meet its commitments too.

Now we really do work very hard to keep our overheads to an absolute minimum.

Our office space in Sydney is donated by a church. Though we have a total of 84 people (staff, contractors, volunteers) involved in making it all happen, we only have 11 paid staff (a full-time equivalent of just 7.7 people!)

Even this newsletter was packed into envelopes by generous volunteers!

But still the bills roll on in, whilst giving tends to fluctuate quite significantly month by month. That can truly make meeting our commitments challenging at times.

But by committing to a regular, monthly donation, you can have a huge impact in smoothing out the lumps and bumps in the ministry's cash flow! Huge!!

A Special Note From Berni Dymet to You

Dear Friend,

My prayer is that you are as amazed as we are at the mighty things that God has done in just three years of the Fresh devotional.

We stand in absolute awe of our Lord and Saviour, as He works through our efforts together to magnify His name in the lives of so many people around the world.

And that's why your support is so important. This simply wouldn't have happened without friends like you giving generously and sacrificially.

I can't stress enough the incredible power of regular monthly giving. The costs of writing, producing, publishing, shooting, recording, promoting and distributing Christianityworks' Bible teaching programs are very real indeed.

So let me encourage you to prayerfully consider joining hands with us through a regular monthly donation to

reach the hurting and the lost with the Good News of Jesus.

A gift of just \$35 each month will help us reach – are you ready for this? – over 100,000 people with a message about Jesus.

That's the power and the reach of media. Imagine, you could make that happen!!

So thank you again for your friendship and support, and for considering becoming a regular monthly supporter, or increasing your monthly commitment if you've already taken that step.

Your friend in Jesus,

Berni Dymet
