

## Pray with Holy Spirit Power

**Here at Christianityworks what we see time and time again, is the Spirit of God moving through the prayer and support of friends like you.**

And that's exactly as it should be. Because according to Jesus, this is what the normative Christian life should look like: ... *let the one who believes in me drink. As the scripture has said, 'Out of the believer's heart shall flow rivers of living water.'* (John 7:38)

As you pray with and support the ministry of Christianityworks, that's exactly what will be happening. Rivers of living water will be flowing out of your heart into the lives of countless people around the world.

***So please join us again this month in praying for the Holy Spirit to work powerfully through our partnership together, to convict of sin and righteousness in a world that now more than ever, needs Jesus.***

## November 2019 Prayer Focus

- **Pray for a powerful anointing of the Spirit** on the messages that Christianityworks produces and broadcasts this month on television, radio, in print and through many digital and social media channels. Ask that the Spirit of God will touch and transform many lives, growing more disciples to reach the lost with the love of Christ
- **Pray especially for a ripple effect** as so many of the people who receive the Bible teaching messages that Christianityworks broadcasts share them with their friends and families. We receive so many testimonies that this is happening *en masse*. Pray that the life-transforming Word of God will ripple out into the lives of more and more people as it is shared in so many ways across the globe.

- **Pray for Christianityworks' Rwandan team member Brenda Uwubuntu** as she travels to the US this month to gain more experience with Christian media fundraising. Her role is to help Christian radio and television stations across Africa to develop their own local supporter bases so that they can become financially self-sustaining. Pray for travel mercies and great learning as she travels for the first time from Rwanda to the USA.
- **Give thanks for the doors that the Lord opened during the visit of our Africa Director Joseph Kebbie to Egypt last month.** The Lord provided opportunities to translate Christianityworks' messages into Arabic and media networks to broadcast these across the Middle East. Please keep this initiative in your prayers that many Muslims would come to know Jesus.
- **Pray for an opportunity to appoint an International Ministry Director in the US.** We have identified an individual well known to us for many years and with great experience in growing international Christian media ministries. BUT right now, Christianityworks doesn't have the funds to be able to hire him. Ask the Lord to provide the needed support so that through him, the reach and impact of Christianityworks can grow to touch many more with the good news of Jesus.
- **Give thanks for Faith Mwaniki** the young Kenyan woman working in our Sydney office who has settled into her new role so well. Ask that the Lord will bless her and use her mightily as she supports and encourages those who respond to Christianityworks' broadcasts from around the world.
- **Pray for the Lord to go ahead of us in preparing the hearts of supporters for the upcoming SOS Campaign.** This coming Christmas/New Year period is one of the most important times for the ministry in receiving support to reach the lost, in effect to see more Souls Saved. Ask the Lord to ready the hearts of Christianityworks' friends and supporters for a generous outpouring of financial support. In particular ask Him also to move the hearts of those who have never given before, to give generously to see the Appeal target reached so that the Good News of Jesus can be proclaimed around the world.
