

# CORONAVIRUS

## Your Prayer is More Important than Ever ...

**This month, our prayer focus is very much on the fear in the hearts of so many as the health and financial fallout of the Coronavirus pandemic takes people by surprise and fills many a heart with uncertainty.**

Few could have predicted that events would move so quickly ... and right now is precisely the time when Christian need to stand up and share the hope that we have in Jesus Christ, amen?!

*That's why your prayer again this month is so vitally important. Thank you for joining hands with the Lord and becoming part of the Christianityworks team, through your powerful prayer.*

## March 2020 Prayer Focus

- **Pray for God's church and His people.** Ask that He will fill His people with a quiet confident in Him so that they will in turn radiate the confidence and hope that all can have in Christ, into the lives of those who don't yet know Him.
- **Pray for Christianityworks' "Coronavirus-specific" Bible teaching messages** that are already going to air and the ones that are being prepared throughout this month. Ask that the Lord will use them powerfully in the lives of the many, many people who will hear them on radio stations around the globe.

- **Give thanks** for the many new doors that have opened across **South Africa and Namibia**, as our CEO Berni Dymet and Africa Director Joseph Kebbie met with many radio and TV networks across these two countries. Give special thanks for Annelie and Jockie Gauche who respectively translate and present Fresh in Afrikaans, and Sbonelo Ngema who is our Zulu translator and presenter.
- **Give thanks to the Lord for the faithfulness** of the many people who give sacrificially to support the work of Christianityworks in reaching millions of people each week with the Good News of Jesus through the media. Ask that the Lord will protect them and their loved ones through these difficult times.
- **Pray for Christianityworks' daily Fresh TV broadcasts.** The international travel restrictions mean that these programs will not be able to be recorded in New Zealand as they usually are. Ask the Lord to enable new messages to be recorded in Sydney where Berni Dymet lives. (They are currently broadcast into over 85 million homes daily across four continents).
- **Pray for the safety of Christianityworks' team members** in Africa, the UK, India, New Zealand, the USA and Australia. Ask the Lord to protect them from illness so that they may carry on His work of reaching the lost, the hurting and the fearful with the powerful message of salvation in Christ and Christ alone!
- **Pray especially for all Christian media ministries around the globe.** As more and more people remain at home. May the Lord use these ministries powerfully to shine the light of His love into homes and hearts that no pastor, no missionary would otherwise have access to.

Thank you for praying with us for the  
glory of our King!
