

CORONAVIRUS

Your Prayer is Powerful + Effective ...

As this COVID-19 situation grips the world, the exciting news is that our King reigns, amen?! He is still on His throne. And the prayer of the righteous is powerful and effective (James 5:16). As difficult as many people are finding it, together we have such a great opportunity to proclaim the certain hope that anyone and everyone can have, when they put their trust in Jesus Christ.

So ... your prayer again this month is vitally important because as we join hands with the Lord in this way, to see His Kingdom come, to see His will done here on earth as it is in Heaven, have no doubt - He will do mighty things.

April 2020 Prayer Focus

- **Pray especially for the disciples of Jesus Christ the world over.** Ask that the Lord will fill His people with a quiet confidence in Him so that they will, in turn, radiate the certain hope that they have in Christ, into the lives of those who don't yet know Him.
- **Pray once more for Christianityworks' "COVID-19 specific" Bible teaching messages** that are going to air on television in English and on radio also in Afrikaans, Tamil, Hindi, Swahili, Pigeon and French. Ask that the Lord will use them powerfully in the lives of many, many people as they receive the true and certain hope of God's Word into their hearts.
- **Pray for the many friends and supporters of Christianityworks** who are suffering and struggling financially. Many of these people have given so faithfully and sacrificially over the years. Ask the Lord to keep them safe, to

provide for their every need and to impart His peace to them at this time. Ask specifically for those who are not financially affected and who may never have given before to be moved by the Spirit to support the work of reaching the world with the love of Christ through the media.

- **Pray for the new Afrikaans and Zulu** radio messages now going to air across South Africa and Namibia. They have been so quickly and widely taken up by radio stations in these two countries. Ask that the Lord will bless the Christianityworks South Africa team and impact many more lives with His good news through them.
- **Pray for Christianityworks' finances over these coming months.** Like many households, businesses and ministries, the financial fallout of COVID-19 will no doubt also impact the ministry of Christianityworks. Pray for great wisdom for the leadership team, as together, we put our trust in the Lord.
- **Pray for the safety of Christianityworks' team members** in Africa, the UK, India, New Zealand, the USA and Australia. Ask the Lord to protect them from illness so that they may carry on His work of reaching the lost, the hurting and the fearful with the powerful message of salvation in Christ and Christ alone!
- **Pray especially for all Christian media ministries around the globe.** May we all together, be a powerful beacon through which the light of the love of God in Jesus Christ shines into homes and hearts that no church, no pastor, no missionary would otherwise ever have access to.

Thank you for praying with us for the
glory of our King!
