

Your Prayer is Powerful + Effective ...

With hundreds of thousands of lives lost and the livelihoods of countless millions of people disrupted, these are difficult times indeed.

And yet never has the opportunity to share the Good News of Jesus Christ been greater. As He Himself said ...

The harvest is plentiful, but the labourers are few; therefore ask the Lord of the harvest to send out laborers into his harvest. (Luke 10:2)

So please join us in praying that countless more lives will be touched, especially as we launch Christianityworks' annual Together We Can Appeal ... to raise the support needed to keep on reaching millions of people each week around the globe, with the stunningly Good News of Jesus.

May 2020 Prayer Focus

- **Give thanks for the many new opportunities that the Lord has opened up** to proclaim the hope we have in Jesus Christ through radio, television, print and digital channels. In particular thank Him for the over 80,000 people who have already subscribed you Christianityworks' YouVersion Bible reading plan [Faith Rather than Fear in the Pandemic](#).
- **Pray especially for those doing it tough** during this pandemic ... through the loss of loved ones, financial hardship and the mental health issues created by lockdowns. Ask the Lord to make a way into their hearts for the peace of God that passes all understanding to fill them and to overwhelm them.

- **Pray for the many friends and supporters of Christianityworks** who will consider giving towards the ***Together We Can Appeal*** over May and June. For those who can't give, ask for the Lord's peace and provision. For those who are able, ask for a spirit of generosity so that together we can reach countless more people with the Good News of Jesus.

- **Give thanks for the godly leadership of Christianityworks** as they earnestly and lovingly steward the funds and resources that the Lord has provided through His people. Ask the Lord to give them wisdom to use what has been given, to reach as many people with the message of certain hope in Christ as possible

- **Pray for more reach and more influence** and that the Lord would continue to open doors unexpectedly and powerfully, to preach Christ and Him crucified to those who are uncertain and fearful in the midst of these current circumstances.

- **Pray especially for our Bible teacher and ceo Berni Dymet** as he prepares messages and gives live radio and television interviews speaking into the strong felt needs of people around the world right at the moment. Ask the Holy Spirit to guide and anoint him with the messages that He would have Berni speak.

- **Pray for the many media ministries that partner with Christianityworks around the globe** - the translators, producers, printers, designers, developers, volunteers, radio and television stations, digital content providers like YouVersion and of course Christianityworks' faithful band of supporters ... all the people who make it possible to do what God has called us to do. Ask for the Lord's protection and mighty blessing on them all because under God ... *together we can!*

Thank you for praying with us for the
glory of our King!
