

Your Prayer – Alive + Active

What a privilege it is to join hands with God in prayer to see His will done on earth as it is in heaven. And what a great privilege it is to have you join the Christianityworks Global Prayer Army to pray with us that many, many ... many more lives will be touched and transformed through the ministry!

Here are some very specific prayer points that we have no doubt the Lord will answer. Thank you for praying with us this month!

November Prayer Focus

- **Pray for the rapidly growing WhatsApp daily Fresh devotional ministry in India** as we reach over 40,000 people each and every day with the Word of God in Tamil, Telugu, Hindi, Marathi and English direct on their mobile phones! Ask the Lord to truly encourage, comfort and embolden His people in this land that is, increasingly, a place of persecution for Christians.
- **Continue to pray for breakthroughs in broadcasting in South Africa and Australia** as we work with new radio and television networks to broadcast Christianityworks Bible teaching programs to take the Gospel farther and wider. We have been working with some of these broadcasters for a very long time ... *and we are believing that God will bring some breakthroughs through our prayer together. This is a longstanding prayer point* ... so let's be persistent in bringing this before the Lord, just as He taught us to be (Luke 11:5-13).

- **Give thanks for the impact of the newly launched powerfulprayer.org site** ... and the many people who have already received prayer support and answers to prayer. And please, as you are able, visit the site, pray for your fellow believers and leave them words of encouragement as you feel led (see below for more information).
- **Pray that the Lord will go ahead to open hearts in a spirit of generosity** as Christianityworks prepares to launch its annual **Alive + Active Appeal** next month. This is such an important time of the year in raising the support needed to start 2021 on a strong financial footing, so that we can step into the many opportunities that the Lord continues to open up to reach the lost with the Good News of Jesus.
- **Pray for Brenda Uwubuntu our team member in Rwanda**, who is working across Africa to equip and empower Christian radio stations. Her role is to act as a consultant and trainer to enable stations to raise their own local funding support, so that they can fulfil the great commission in Benin, in Kenya, in Rwanda, in Tanzania ... in fact right across the African continent. We are able to provide this assistance to Christian stations free of charge as her role is funded completely through the support of friends like you.
- **Pray for the Christianityworks team** as they work right now to prepare and distribute the radio, television, print and digital Bible teaching messages that will go to air around the globe over the Christmas/New Year season. This is a time when people's hearts are more open than ever to hear about Jesus - may many more receive Him as their Saviour through these messages in 160+ countries around the globe.
- **Give thanks for the many people who work so hard behind the scenes** in radio and television production, website design and development, proof reading and a whole host of other essential tasks without which the ministry of Christianityworks simply wouldn't be able to reach millions of people each week with the love of God in Jesus Christ. Ask the Lord to bless them in the most powerful way for the incredible work that they do in using their gifts for His glory.
