

Prayer, Praise + Promises

God, in His Word, makes some amazing promises about prayer. None more so than this one:

And this is the boldness we have in him, that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have obtained the requests made of him. (1 John 5:14,15)

Which is why this month, we have so many answers to prayer to give thanks for, to praise God for.

Thank you for being part of Christianityworks' Global Prayer Army, praying faithfully for the reach and impact of the Gospel in the lives of millions of people around the globe.

May Prayer Focus

- **Praise God that by his grace, Christianityworks' daily Fresh devotional messages** began being broadcast from the 1st of this month in both English and Swahili across 50+ countries of Sub Saharan Africa on the New Life Africa Satellite Network. ([Click here to watch the 60 second video announcement from Africa Director Joseph Kebbie](#)).
- **Pray that through this Africa-wide reach on both satellite and via local FM stations** many more people in places that we can't even begin to imagine will come to know Jesus and have their lives transformed as they live them out in a rich, dynamic relationship with Him.

- **Praise God that last month's financial need of the Easter Outreach Mission** was met through the generosity of God's people, ordinary men and women, friends of the ministry just like you. As a result, Christianityworks was able to broadcast Easter-specific salvation messages to millions of people around the globe.
- **Pray especially this month for India and the terrible impact of COVID-19 across that needy nation.** Ask the Lord to bring much-needed international aid to those many people who are suffering so much. And please do also pray for protection over Christianityworks' India team based in Hyderabad - Elia and Esther Kommu, Isaac and Amruta Krishna and their families. The life of Elia's sister was claimed last month through COVID - may the Lord comfort them in their loss.
- **Praise God for our newest team member Violet Harley** who has joined to help with the many administrative tasks involved in responding to the many people who contact and support the ministry. We keep admin overheads to an absolute minimum, but as the reach of Christianityworks grows, so do those tasks. (By the way, Christianityworks has only 13 paid staff around the world. With over half of them part time, that's just under 8 full-time equivalents - give thanks for this amazing team).
- **Pray for [God's financial provision over May and June during the "Shine the Light" Appeal](#).** Reaching the appeal goal is vital to allow Christianityworks start its new financial year (beginning July 1st) on a strong financial footing. Reaching the Appeal goal will mean that together, we'll be able to step into the many opportunities that God has set before us to reach the lost with the Gospel of Jesus Christ.
- **Praise God for the many friends and supporters of Christianityworks** who give so sacrificially and pray so faithfully. It is through these committed disciples of our Lord Jesus Christ that God works His mighty miracles in the lives of so many!

Thank you for praying with us for the glory of our King!
