

Praise + Prayer = Power

We know that the Word of God is alive + active. That it is the power for salvation. It is the power to transform the lives of men, women and children around the globe. And of that we are not ashamed!

For I am not ashamed of the gospel; it is the power of God for salvation to everyone who has faith, to the Jew first and also to the Greek. (Romans 1:16)

It is for that reason that we press forward with a great sense of urgency to proclaim the Good News of Jesus Christ to millions of people each week around the world – to see them saved through faith in Christ, and to see them repent of their sin, that they may walk in newness of life

But there is always spiritual opposition to the proclamation of the Gospel. The more effective our proclamation and the wider its reach, the greater the opposition from the enemy. That's why your prayer is so vitally important.

Here are some specific prayer points for this month:

July Prayer Focus

- **Give thanks for the generous outpouring amongst God's people** which meant that the June 30 "Shine the Light" Appeal Goal was met. This was His provision through His people and will be used to proclaim His name – the name of Jesus – through the media, around the world over coming months. All glory to God!

- **Pray that the funds given so generously by God's people** will have a powerful impact in the lives of many people. Ask the Spirit of God to anoint the teaching messages that Christianityworks produces, and to go ahead to open hearts to receive God's Word and be radically transformed.
- **Give thanks for the many people who contact us each month** to share how the Word of God has powerfully impacted their lives through the ministry of Christianityworks. You can see thousands of testimonies at Christianityworks.me. Give God glory for the things He is doing in the lives of so many!
- **Pray especially this month for the many people who contact the ministry asking for prayer.** You can see their specific prayer requests, pray for them and even leave encouraging messages for them at PowerfulPrayer.org – and in doing so you will be part of the Christianityworks Prayer Army. The need is so great!
- **Praise God for our Africa Team Member Brenda Uwubuntu** as she studies and interns in the US over this coming month, to help her better support the many Christian radio and television stations that she works with across Africa – in particular helping them to raise much-needed local support from their audience. The African Fundraising Enablement Project (AfFEP) which she heads, is a key way in which we sow back into Christian media ministries across this great and needy continent.
- **Pray for many more Gospel proclamation opportunities** as the world remains in turmoil through the global COVID crisis. With so many sick and dying, with the temperature of political, national and international conflict and criticism rising, ask the Lord to open doors for Christianityworks to share the many-splendoured love of Christ with even more people.
- **Continue Praying for the right person** to fill the new Operations Support role in our Sydney office. As more languages are added and the scope of Christianityworks' ministry continues to grow, the work involved in the distribution of radio and television programs to hundreds of stations, as well as the upload of content to many digital channels, has grown sharply. May God provide a disciple of His who has the skills and attention to detail to fulfil this important role.

Thank you for praying with us for the glory of our King!
