

## Pray for the Good News to Bring Hope

The nations seem to be gripped by division and fear in these difficult times. People are struggling physically, emotionally, spiritually ... financially. What can we do?

The answer is that we can pray. Because the only sort of prayer the Bible teaches about is the sort that has powerful results.

*And this is the confidence that we have toward him, that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have the requests that we have asked of him.* (1 John 5:14-15)

So let's get together as God's people and do just that ... here are some specific prayer points for this month:

---

### September Prayer Focus

- **Pray for your national and local political leaders** irrespective of whether or not you agree with their politics, their policies, the way they've handled the pandemic response. Pray for God's encouragement, anointing, peace and wisdom to be on their lives and their leadership! (1 Timothy 2:1,2)
- **Pray for God's people and the healing of your land**, for *"If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land."* (2 Chronicles 7:14)

- **Pray for the Gospel to ring out, clear and true** as Christianityworks' Bible teaching broadcasts reach literally millions of people this month in some 160 countries, through hundreds of radio and television stations, digital broadcasts, books and booklets ... that the certain hope available to each person in Christ Jesus would fill countless hearts with joy. The joy of the Lord. The joy of salvation in Christ and Christ alone. Hallelujah!!!
- **Continue praying especially this month for the "Every Tribe, Tongue and Nation"**  
**Appeal** with a need of raising up 101 new Monthly Supporters to fully fund four new Fresh Devotional Translations on an ongoing basis - French (for West Africa), Arabic (for the Middle East and beyond), Portuguese (South America) and Bahasa (for Indonesia, the world's biggest Muslim nation). Response to the appeal has been slow - ask the Lord to quicken the hearts of His saints.
- **Give thanks for the huge initiative to move our daily Fresh TV shoots** from New Zealand (where they have been recorded and produced in the past) to our offices in Australia to prevent the ongoing disruptions of COVID border restrictions and lockdowns on the production schedule. This has been no small move - but the mighty hand of God has been on it to bring the right crew, capability and technology together to maintain continuity of programming!
- **Pray for the Christianityworks team** spread around the globe. The Sydney team has been in COVID lockdown for many weeks, and it's taking its toll emotionally and physically. Operations in the rest of the world have been made more difficult by COVID-related disruptions. Ask the Lord to give each of them a special touch of His Presence and to fill them with a peace that passes all understanding as they continue to serve Him.
- **Pray for the hundreds of thousands of people** who will visit Christianityworks' websites this month. Ask the Lord to touch them deeply by His Spirit as they experience the power of His Word through the Bible teaching messages that have been made possible through the support of friends like you!! Give thanks for the many lives that are being impacted through our ministry together.

*Thank you for praying with us for the glory of our King!*
