The Prayer of Faith

Prayer is a powerful thing. Let's make that a bit more personal. YOUR prayer is a powerful thing, because God honours you when you put your faith in Him.

For without faith it is impossible to please him, for whoever would draw near to God must believe that he exists and that he rewards those who seek him. (Hebrews 11:6)

So when we do have faith, when we do come to Him in prayer believing that He hears us, we please God. That's why we invite you to pray again this month, that this gift of faith which comes from God, would be given to countless more people around the world, through the ministry of Christianityworks.

Thank you for being part of the global prayer army this month. Here are some specific prayer points for this month:

November Prayer Focus

- **Pray for the lost** whose minds have been blinded by the god of this world, to keep them from seeing the light of the gospel of the glory of Christ, who is the image of God. (2 Cor 4:4) Ask that the Lord would reach into their hearts through His Word and by His Spirit, as together we proclaim Christ to the nations through the media.

- **Pray especially for the many persecuted Christians** who listen to, read, or watch Christianityworks' Bible-teaching broadcasts. Ask that the Lord would encourage them, strengthen them, protect them and grant them His peace.
- **Give thanks for the new Fresh Television episodes** that will start going to air in the middle of this month. They were shot in Christianityworks' new TV studio, built with the support of friends like you. Ask that God would touch many, many more lives through these messages.
- **Pray especially this month for our US based team** - James Kanaganayagam, Joseph Kebbie and Brenda Uwubuntu. Ask the Lord to open new, surprising doors through them, for Christianityworks' Bible teaching messages to be broadcast on international media networks headquartered in the US.
- **Pray for Christianityworks' finances** since November is seasonally a month when the ministry experiences fewer donations. Ask God, in particular, to open people's hearts in a spirit of generosity and to bless the [#GivingTuesday](#) campaign later this month!
- **Pray for our brothers and sisters in COVID affected countries.** So many are still suffering and struggling in India, across Africa, in the UK and many other parts of the world. Ask the Lord to intervene to bring down the numbers who are infected, sick and dying. And ask Him to work through the ministry of Christianityworks to proclaim the love, the peace and the hope available to those people in Christ and Christ alone.
- **Give thanks for the Christianityworks Board members** who give freely of their time to help set the strategic direction of the ministry world-wide, and to provide independent and rigorous oversight to ensure that ministry leaders are held accountable, [as they should be](#).

Thank you for praying with us for the glory of our King!
