

Pray for God's Greatest Gift to Transform Lives

Christmas and New Year are a time when people's hearts are more open than ever to hear about Jesus and to receive Him - God's greatest ever gift to humanity - into their hearts.

And Christianityworks has season-specific programming "locked and loaded" to go to air on radio and television networks, as well as many digital channels, to reach millions of people around the world this month.

But right now, funding is critically short, with many people doing it tough in the current economic climate.

Our trust, however, is in the Lord. That's why your prayer this month is so vitally important. God is in this place with us, because His heart is for many more people hear the Good News of the coming of Jesus Christ into this world.

So here are some specific prayer points for you to bring before the Lord this month.

- **Pray for Christianityworks' friends and supporters** who are struggling at the moment - financially and in every other way. May the Lord our God meet their every need, comfort them, provide for them and give them His peace. May He bless them because of their faithfulness to Him.

- **Pray for the generosity of those who are able to give** - that the Holy Spirit would move them with to go above and beyond in helping reach the ***New Beginnings Appeal*** goal so that many more will hear the Gospel of Christ.
- **Pray especially for the Gospel messages** that Christianityworks will be broadcasting in over a dozen languages around the globe this month. May they be anointed of God and carry His love into the hearts of those who receive them, transforming many a life.
- **Give thanks for the hundreds of radio and TV networks** who partner with Christianityworks in proclaiming Christ to the nations. May the Lord protect them and provide for them, and encourage those broadcasters in areas where simply speaking of Christ can put them in danger.
- **Pray for the board of Christianityworks** that God would give them great wisdom as they oversee the ministry, providing leadership, governance and accountability as is right and proper under the Lord. May His hand be upon them as they act as stewards of God's ministry of Christianityworks.
- **Pray for more Powerful Prayer volunteers** to step forward to pray for the ever growing number of people who visit PowerfulPrayer.org in desperate need. (You can find out more by clicking on the panel towards the bottom of this page).
- **Ask for the Lord to bless our designer Mariah Reilly** who has for many years worked tirelessly behind the scenes to produce the artwork (like the banners towards the bottom of this page) that helps present the Gospel of Christ in a compassionate, appealing and professional manner. May the Lord bless her and her husband Warren mightily for all that they do in growing the Kingdom of God.

Thank you for praying with us for the glory of our King!
